For all full month payment periods, interest is calculated on a monthly basis. Accordingly, interest for all full months, including February, is calculated as 30/360 of annual interest, irrespective of the actual number of days in the month. For partial months, interest is calculated daily on the basis of a 365 day year.

Adjustable rate mortgage loans may have more than one interest rate in effect during the period in which this demand statement applies. Amended demand statements are sent automatically if the total amount due increases before April 30, 2009.

Daily Interest ¹	From	To	Interest rate
